ABOUT THE PROGRAM

Combining acting skills, arts & crafts, and improvisation, students will create memorable characters and their own short scripts. Students will use design and crafting skills, writing and storytelling skills, and their imaginations as they participate in this lively class!

ABOUT ACTING FOR YOUNG PEOPLE

AFYP's goal is to provide actors of all ages with professional-level training in a supportive and fun environment. Through this training, we hope to help our actors develop skills that will serve them in all walks of life, on & off stage.

Our faculty is made up of working professionals in the industry – actors, directors and teaching artists who are constantly honing their skills through their creative endeavors and bringing those skills back to share with our students.

We look forward to bringing our program back to Mosby Woods ES!
